Would you be interested in visiting our research library? Yes/No

- The library is open to the public by appointment.
- On Tuesdays, our volunteer librarians are available to help with your research.
- Please contact the museum to arrange an appointment to visit the Library so that we can make sure that staff are available to help you and that we can look out any relevant material.

### Your Enquiry

Please give us as many details as you can to help us find the information you need.

(continue overleaf if required)

Would you like us to look for:

Information  books  photographs  charts/drawings  objects

### What We Will Do

- All enquiries will be answered within one month.
- Our enquiry service is free for the first 20 minutes of research, after which a charge of £2 will apply for every further 20 minutes.
- There may also be a charge for any photocopied materials that we send out to you.
- In the event of further time being required, we will contact you in advance to confirm the charges.
